

Oct 10 2023

The library board met with Rebecca and all board members present. The minutes of previous mtg read.

Rebecca gave the librarian report, the treasury report & explained the disbursements. Happily she reported 6 new library cards had been given out. As we are now accredited we receive more money from the state. Our cost of ~~the~~ new books has risen nearly 8%, in cost.

The book "The Ples" a new book with the setting in 1898 of a murder in Clayton County has shown a great interest in the area & many people are asking to read the book. The plan is for Hannah to lead a discussion on the book at the "store" "The Green Door" on Oct 18 at 6:00 p.m.

Lois Amundson, Sec
